(11) That the Hony.Secretary be requested to address Government on behalf of the Committee requesting that all printing work required in connection with the Fund be done at the Government Press free.

In moving the above proposition Mr.Chakravarti said that the value of printing work done by the Government Press on behalf of the Fund might amount to something like Rs.500 at that time but the amount might be higher if further work was executed. From the point of view of the Committee it was quite reasonable to approach Government with a request like that embodied in the resolution. Government would no doubt consider all aspects of the case and pass necessary orders. Mr.D.Venkataramaiya seconded the proposition. He said that such a request was quite reasonable and he was confident that Government would readily sanction it. The proposition was accepted.
